STUDENT ATHLETE CONCUSSION DIAGNOSIS AND MANAGEMENT PROGRAM

I have read the information concerning usage of the Immediate Post-Concussion Assessment and Cognitive Testing (ImPACT™) and understand its contents. I have been given an opportunity to ask questions and all have been answered to my satisfaction. I understand that participation in the ImPACT™ concussion baseline testing is highly recommended but not required for athletes in Cherokee County schools. I also understand that the ImPACT™ testing is merely a tool to assist Medical Professionals in the diagnosis and subsequent treatment of potentially serious injuries, the ImPACT™ testing IS NOT a substitute for treatment by a medical professional. **I acknowledge that if my child is suspected of receiving a concussion causing injury, my child WILL NOT be allowed to participate in athletics until cleared by a medical doctor.**

Please INITIAL one of the choices below, sign and date:

- _____ YES, I give permission for my child, _____, to participate in baseline testing with the ImPACT™ program.
- _____ NO, I do not give permission for my child, _____, to participate in baseline testing.

CHEROKEE COUNTY SCHOOL DISTRICT
APPENDIX K: STUDENT ACTIVITY CODE OF CONDUCT

I. Introduction

The Cherokee County School District has determined that participation in interscholastic/extracurricular activities is a privilege for students enrolled in the School District. A student participating in such activities is considered to be a school leader; and, with leadership comes additional responsibility, so students must adhere to the standards and expectations contained in the School District's Activity Code of Conduct. As such, if a student violates these standards, schools may withdraw the privilege of participating in these activities, regardless of whether the violation occurred at a school-related or non-school-related activity. Schools may also withdraw the privilege of participating in these activities if the student violations occur outside of the scope of the activity's "season"; or, beyond the scope of the school day/year.

II. Student Infractions and Standards of Behavior

Student Infractions: Any student who commits the following infractions may be suspended or permanently dismissed from the team:

1. Hazing other students—school clubs and student organizations will not use hazing or degradation of individual dignity;
2. Missing practice, rehearsal or activities (unless excused by the coach or sponsor);
3. Truancy and/or skipping classes;
4. Activity in an unsportsmanlike manner when representing the school;
5. Violating team curfews (as established by the coach or sponsor);
6. Any behavior which results in discipline by the school administration; and,
7. Any behavior which, in the opinion of the administration, reflects in a negative manner on the team, activity, athletic program or school.

Standards and Expectations for Behavior: Students participating in interscholastic/extracurricular activities must comply with the following standards and expectations for behavior:

1. Establishing and promoting a positive self-image for the program, school and School District.
2. Exhibiting good sportsmanship.
3. Supporting team/activity rules developed by the activity's coaches or sponsors.
4. Adhering to the School District's Student Discipline Code.
5. Observing all standards and guidelines established by the Georgia High School Association (GHSA) Constitution and by-laws.
6. Obeying local, State and Federal laws governing behavior and conduct.*

Note: Provisions for dealing with starred () items above are contained in Section V of this document.*

III. Dispositions for Student Infractions and Standards of Behavior

Dispositions for student infractions and violations of standards and expectations of behavior include, but are not limited to, the following:

- Additional practice or conditioning time
- Conferencing between sponsor/parent or sponsor/student athlete
- Loss of position or awards privileges
- Suspension and/or removal from team

IV. Suspensions for Student Infractions and Standards of Behavior

Applying Suspensions: Relative to suspensions, progressive discipline processes will be utilized in order to create the expectation that the degree of discipline will be in proportion to the severity of the behavior, as well as consideration given to each student's previous discipline history and other relative factors.
